The Complete Cradle to Grave Solution

DrumTracker II<sup>TM</sup>

Web User Interface

User's  
Manual

## **SYSTEM OVERVIEW**

DrumTracker II has been designed to collect, compile, store, and disseminate information about closed loop containers including all current and past ownership, type and accessories, locations, ladings, status, reconditioning, recertifying, weight, and ultimate recycling. The system is web based to provide immediate up-to-the-minute information from any Internet connected device. All data is secure with fully encrypted passwords and other security features similar to your bank.

This user manual will help you make the most of your DrumTracker II experience. You will find it most helpful when trying to utilize some of the systems more complicated features.

## **TABLE OF CONTENTS**

Definitions.....	3

My User Account .....	43
Company Manage .....	44
Manage Company Authorization .....	48
Manage Drum Type .....	51
Manage Content.....	56
Logout.....	60

## **Definitions**

Birth ..... To Birth a container is to enter its data into the DrumTracker II system.  
Birthing can be done for a new container, or a reconditioned container.

Birth Location ..... The place where the container was first known to the DrumTracker II system. Usually the manufacturer's or reconditioner's location.

Clear ..... To remove an item that had been selected.

Company ..... The organization which has one or more locations where containers can exist. Companies may own containers.

Container Owner .. The company which is responsible for the container information in, and the use of, the DrumTracker II system for the specific container.

Content ..... The product the container is filled with. Same as Lading.

Kill ..... To mark a container as no longer recognizable on the DrumTracker System. Killing a container does not remove any history from the system.

Location ..... A place where containers are sent to, received from, filled, or stored.

Received From Location     The company location where the containers came from before they arrived at the current location. Who sent them to you.

Screen..... Individual web pages are referred to as screens in this document.

Select..... To choose from a list of possible items.

Send To Location .The company location where the containers are being shipped. The actual Ship To location, not the Bill To address.

Session ..... Using the DrumTracker II web site as defined as from successfully logging on until logging off, either manually or automatically.

Shipped To Location   The company location where the containers came are being sent to. The containers are marked as being sent to a location until they are scanned or marked as received, when they will then be shown as at the location, instead of in transit.

Tare ..... The weight of an empty container.

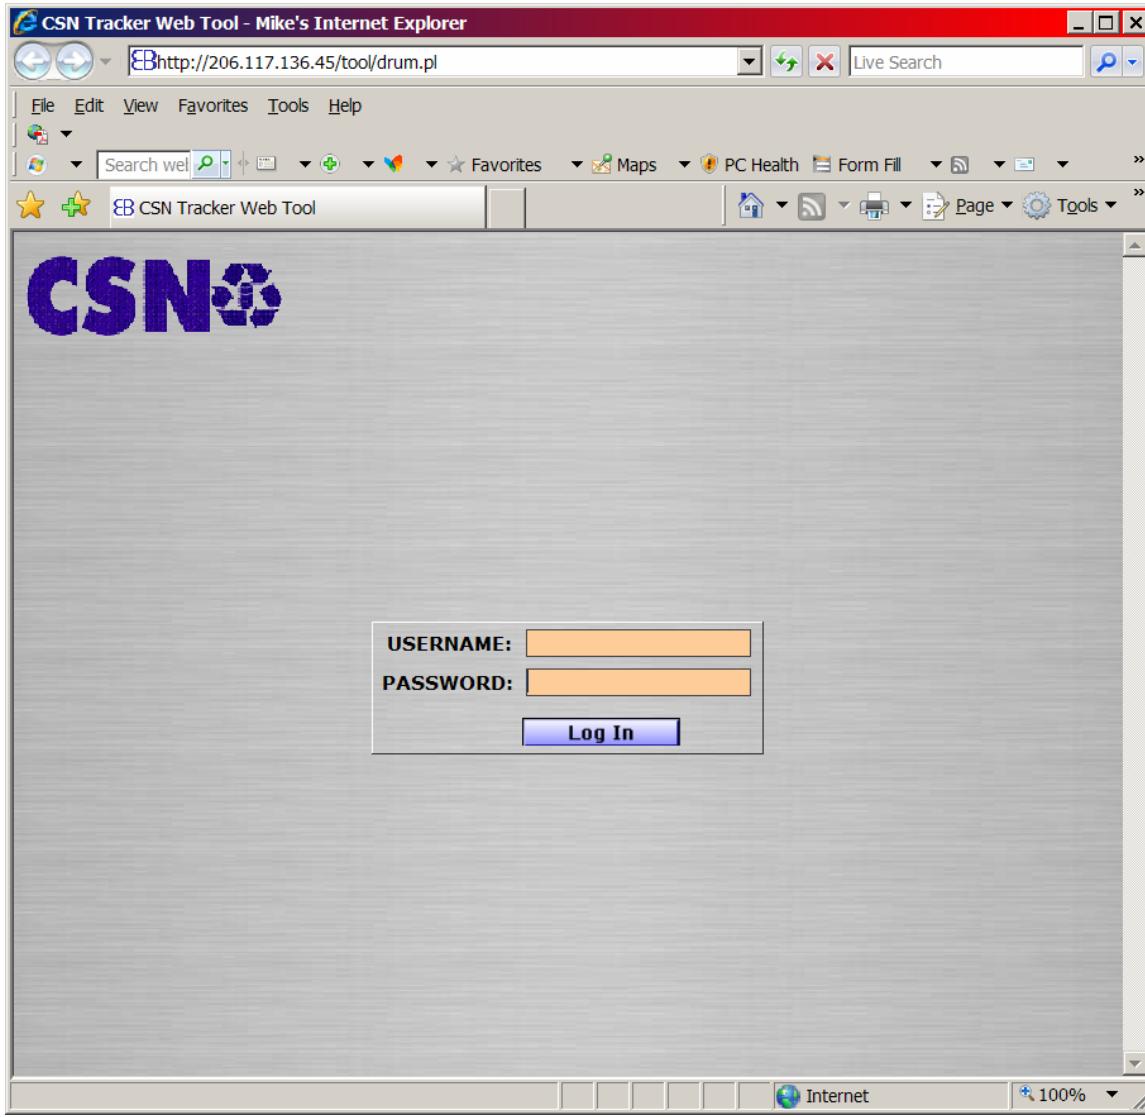

User Name ..... The same as Login Name. The name which is used to log into the DrumTracker II system.

## Logging On

Open Microsoft Internet Explorer.

Go to the CSN web site: <http://ContainerServicesNetwork.com/DrumTracker.htm>

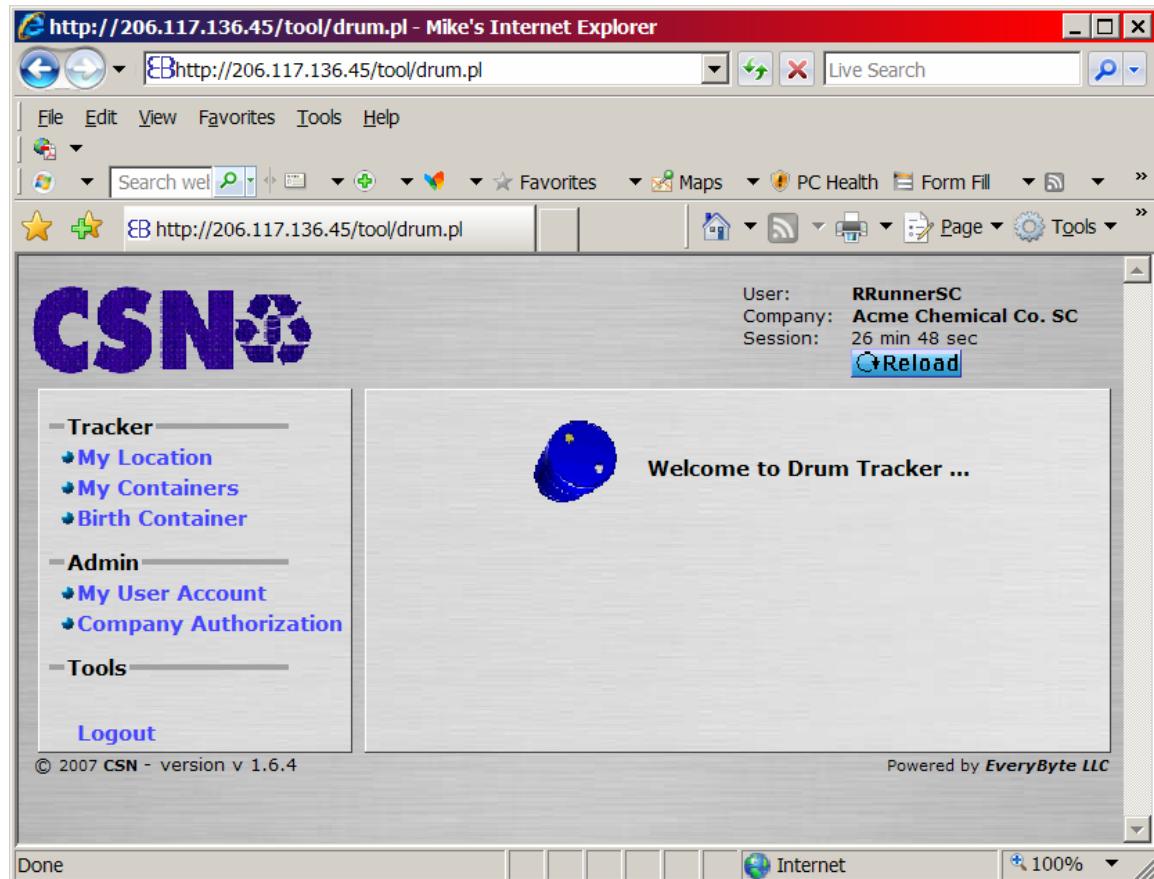

Click on the link “Click here to login into DrumTracker” You will see the DrumTracker Login screen:

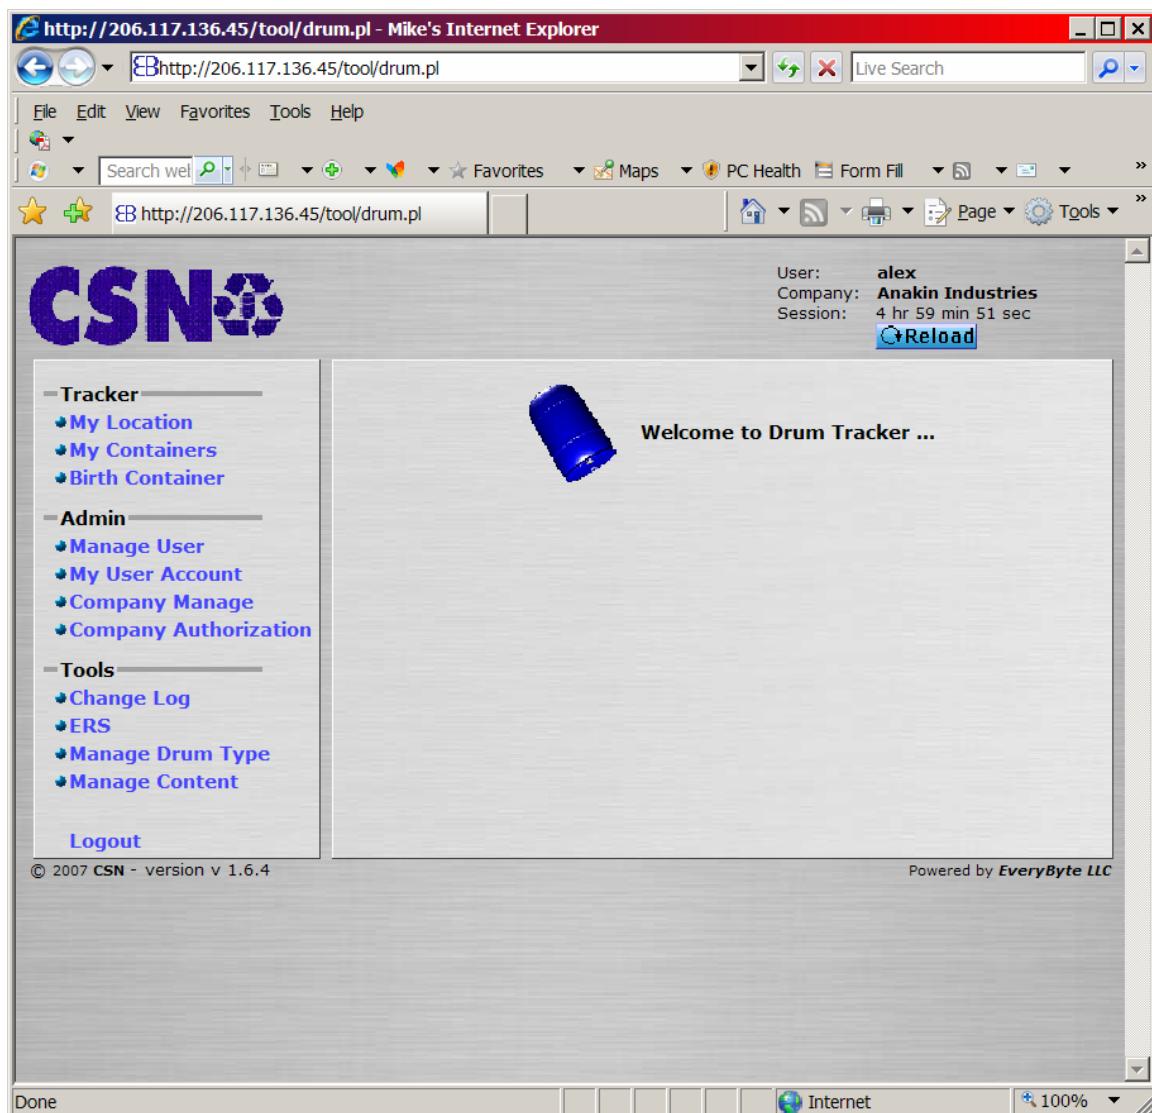

Click on the white box to the right of “UserName.” Type in your username. Usernames are not case sensitive (“BSmith” is the same as “bsmith”).

Click on the white box to the right of “Password.” Type in your password. Note: Passwords ARE case sensitive (“MyPassword” is NOT the same as “mypassword”).

Click on <Log In>. You will see the Welcome to DrumTracker screen:

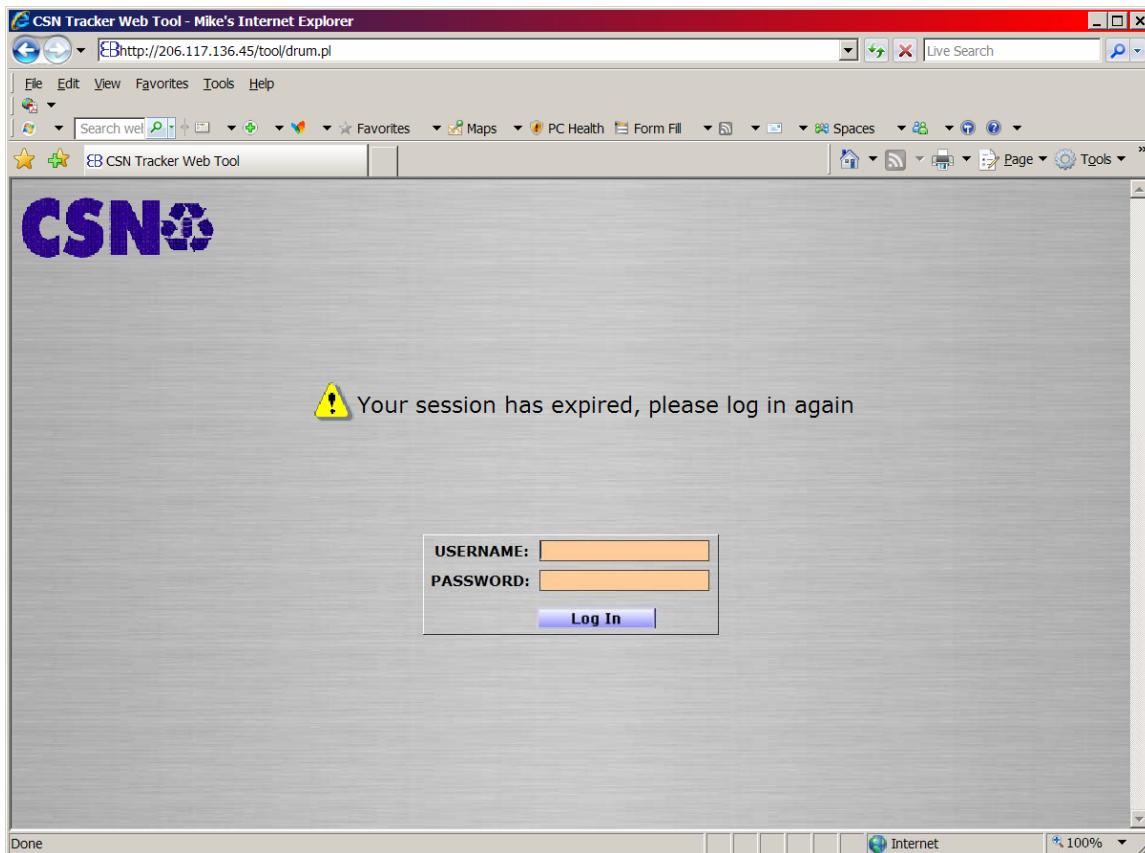

On the left, there is a list of screens available to you depending on your authorization level. When you are on any screen other than the Welcome screen, the current screen's title is highlighted. The following figure shows the full list of available screens.

You are now logged in to the DrumTracker II system.

## Session Expiration

DrumTracker II is designed to be secure. If you are logged in longer than your session time limit (as shown in the countdown timer under your user name in the upper right of all screens), you will be automatically logged out. You will see the following screen asking you to log back in:

To modify your session time limit, please contact your Administrator.

## My Location

Click on <My Location> under the top left heading of “Tracker.” You will see the “My Location” screen which prompts you to select a specific location:

The screenshot shows a Microsoft Internet Explorer window titled "My Location - Mike's Internet Explorer". The address bar displays the URL "http://206.117.136.45/tool/drum.pl". The menu bar includes "File", "Edit", "View", "Favorites", "Tools", and "Help". The toolbar contains icons for Back, Forward, Stop, Refresh, Live Search, and Favorites. Below the toolbar is a search bar with the placeholder "Search web" and a "My Location" button. The main content area features a large "CSN" logo on the left and the title "My Location" in the center. A warning icon with the text "Please select Location" is displayed above a dropdown menu labeled "LOCATION: --- please select a location ---". On the right side of the header, user information is shown: "User: alex", "Company: Anakin Industries", and "Session: 4 hr 58 min 21 sec". A "Reload" button is also present. The left sidebar contains a navigation menu with sections for "Tracker" (including "My Location", "My Containers", "Birth Container"), "Admin" (including "Manage User", "My User Account", "Company Manage", "Company Authorization"), "Tools" (including "Change Log", "ERS", "Manage Drum Type", "Manage Content"), and "Logout". At the bottom of the page, copyright information reads "© 2007 CSN - version v 1.6.4" and "Powered by EveryByte LLC". The status bar at the bottom shows "Done", "Internet", "100%", and a zoom control.

Click on the Location select box's drop down arrow to obtain a list of your locations:

Click on the name of the Location at which the drums you want to view are located. This will bring up a list of the Owners and quantities of the drums for each Owner at that specific Location.

The screenshot shows a Microsoft Internet Explorer window titled "My Location - Mike's Internet Explorer". The address bar displays the URL "http://206.117.136.45/tool/drum.pl". The page content is titled "My Location" and features a sidebar with navigation links for Tracker, Admin, and Tools. The main area shows a table of container counts by owner. The table has columns for Company and Count, with three rows visible: TESTOWNER1 - PINK (Count 39), Acme Chemical Co. FL (Count 1), and TestOwner2a (Count 5). Each row has an "Expand" button to the left of the company name.

Company	Count
TESTOWNER1 - PINK	39
Acme Chemical Co. FL	1
TestOwner2a	5

To view a list of containers of any Owner at that Location, Click on the <Expand> button to the left of the Owner's name. This will give you a list of the Containers:

Internet 100%

The Owner of the Containers is listed in the second section down from the top. To change which Owner's containers are listed, Click on the “<< All Owners” button beneath the current Owner's address:

The screenshot shows a web browser window titled "My Location - Mike's Internet Explorer". The URL is "http://206.117.136.45/tool/drum.pl". The page has a header with the CSN logo and the title "My Location". On the right, it shows user information: User: alex, Company: Anakin Industries, Session: 4 hr 59 min 52 sec, and a "Reload" button. A sidebar on the left lists navigation links under "Tracker" (My Location, My Containers, Birth Container), "Admin" (Manage User, My User Account, Company Manage, Company Authorization), and "Tools" (Change Log, ERS, Manage Drum Type, Manage Content). A "Logout" link is also present. The main content area shows a table with the following data:

Company	Count
TESTOWNER1 - PINK	39
Acme Chemical Co. FL	1
TestOwner2a	5

At the bottom of the page, it says "LOCATION: Anakin Industries South Plant == New York, NY 23433". The footer includes "© 2007 CSN - version v 1.6.4", "Powered by EveryByte LLC", and a zoom level of "100%".

To the right of the current Owner's name and address are two check boxes, Currently at this Location and Inbound to this Location. To view the Containers currently marked as received at that Location, check the first box. To view the Containers that are marked as inbound to that Location, but have not yet been marked as received, check the second box. To view both Inbound and Received Containers, check both boxes.

The top of the next section shows the total number of containers listed that meet the current set of criteria ("Num Drums"). Immediately below that is a left arrow, a drop down box showing the current and total number of pages, and a right arrow. When you are on Page 1, the left arrow is grey, indicating it cannot be pressed. When you are on the last page, the right arrow is grey indicating it cannot be pressed. Otherwise, the arrows are blue and can be pressed to go one page lower or higher in number than the current page. Alternatively, click on the drop-down box to select a specific page to go to:

The screenshot shows a web browser window titled "My Location - Mike's Internet Explorer" with the URL "http://206.117.136.45/tool/drum.pl". The page header includes the CSN logo, the title "My Location", and user information: User: alex, Company: Anakin Industries, Session: 4 hr 59 min 44 sec, and a "Reload" button.

The left sidebar contains a navigation menu with sections: Tracker (My Location, My Containers, Birth Container), Admin (Manage User, My User Account, Company Manage, Company Authorization), Tools (Change Log, ERS, Manage Drum Type, Manage Content), and Logout.

The main content area displays a table of container data. The table has columns: Description, Capacity, Color, Material, Content, Fill#, Srv#, and Rcvd. The table shows 39 rows of data, with the first few rows being:

	Description	Capacity	Color	Material	Content	Fill#	Srv#	Rcvd	
Edit	Tub Type B	Larger Size B Type	55G / 208.24L	Black	Metal	Green Jello	1	0	yes

Edit	767685	LittleTub	Small Size	15G / 56.79L	Black	Metal	0	0	yes
Edit	767686	LittleTub	Small Size	15G / 56.79L	Black	Metal	0	0	yes
Edit	767687	LittleTub	Small Size	15G / 56.79L	Black	Metal	0	0	yes
Edit	767688	LittleTub	Small Size	15G / 56.79L	Black	Metal	0	0	yes
Edit	767689	LittleTub	Small Size	15G / 56.79L	Black	Metal	0	0	yes
Edit	767690	LittleTub	Small Size	15G / 56.79L	Black	Metal	0	0	yes

At the bottom of the page, there is a footer with the text "© 2007 CSN - version v 1.6.4" and "Powered by EveryByte LLC". The status bar at the bottom right shows "Internet" and "100%".

This page lists all the Containers that meet the current Criteria. It lists the Barcode, Type, Description, Capacity, Color, Material, and Content, as well as the number of times that particular Container has been filled or serviced, and whether the Container has been marked as Received or is still shown as Inbound.

#### SORTING:

The Containers can be listed in User selectable order. The default is ordered by Barcode. The User can change the order to be any of the columns simply by clicking on the title of the column desired. To change to descending order of that column, just click a second time. For example to sort by Type descending, click on the "Type" column heading twice:

Internet 100%

### CRITERIA:

If you want to limit the list to only a certain type, color, or other parameter, simply type that criteria into the white box below the column heading and reload the page by clicking the <Reload> button in the upper right. For example, to see only those containers that are Blue, type "Blue" into the column heading and click the <Reload> button in the upper right:

The screenshot shows a web browser window titled "My Location - Mike's Internet Explorer" with the URL "http://206.117.136.45/tool/drum.pl". The page header includes the CSN logo, the title "My Location", and user information: User: alex, Company: Anakin Industries, Session: 4 hr 59 min 54 sec. A "Reload" button is also present.

The left sidebar contains a navigation menu with sections: Tracker (My Location, My Containers, Birth Container), Admin (Manage User, My User Account, Company Manage, Company Authorization), Tools (Change Log, ERS, Manage Drum Type, Manage Content), and Logout.

The main content area has a "LOCATION:" dropdown set to "Anakin Industries South Plant == New York, NY 23433". Below it, a section for "DRUM OWNER" lists "TESTOWNER1 - PINK Hellspoint, CA 90064" with checkboxes for "Currently at this location" and "Inbound to this location".

A table titled "Num Drums: 2" shows two drum entries:

	Barcode	Type	Description	Capacity	Color	Material	Content	Fill#	Srvc#	Rcvd
<a href="#">Edit</a>	123121	BigTub	Larger Size	55G / 208.24L	Blue	Plastic	Organic Pesticide 1	0	0	yes
<a href="#">Edit</a>	772211	BigTub	Larger Size	55G / 208.24L	Blue	Plastic		0	0	yes

At the bottom of the page, there is a copyright notice: "© 2007 CSN - version v 1.6.4" and "Powered by EveryByte LLC". The browser status bar shows the URL "./drum.pl" and the zoom level "100%".

Criteria can be just a portion of the data being searched. For example, entering a “B” for color will select Containers with “Blue” or “Black”, but not “Natural” or “White.”

You may type more than one criteria at a time. For Example, if you type “Blue” under “Color” and “Org” under “Contents,” that would narrow the search down to only Blue Containers containing contents beginning with “Org” such as:

The screenshot shows a Windows desktop with a web browser window titled "My Location - Mike's Internet Explorer". The URL is "http://206.117.136.45/tool/drum.pl". The browser menu bar includes File, Edit, View, Favorites, Tools, Help, and a Live Search field. The toolbar includes standard icons like Back, Forward, Stop, Refresh, and Favorites.

The main content area has a header "CSN My Location". On the left is a navigation sidebar with sections: Tracker (My Location, My Containers, Birth Container), Admin (Manage User, My User Account, Company Manage, Company Authorization), Tools (Change Log, ERS, Manage Drum Type, Manage Content), and Logout. The right side displays a form for managing drums at a location:

- LOCATION:** Anakin Industries South Plant == New York, NY 23433
- DRUM OWNER:** TESTOWNER1 - PINK Hellspoint, CA 90064  Currently at this location  Inbound to this location [<< All Owners](#)
- Num Drums:** 1 page 1 of 1
- A table showing one drum entry:

	Barcode	Type	Description	Capacity	Color	Material	Content	Fill#	Srvc#	Rcvd
<a href="#">Edit</a>	123121	BigTub	Larger Size	55G / 208.24L	Blue	Plastic	Organic Pesticide	1	0	yes

At the bottom of the page, it says "© 2007 CSN - version v 1.6.4" and "Powered by EveryByte LLC".

To return to a listing of all the containers for that Owner at that Location, remove (highlight and delete) all the typing in the boxes below the column headings.

To Change in any way the current Status, Location, Contents or other parameter of any container, Click on the <Edit> button to the left of its Barcode. A pop-up screen will then be shown. Please see the Edit Container section of this Manual.

## My Containers

This selection shows all of the User's containers. It includes a detailed list of each container by barcode, type, description, capacity, color, material, and content. Also listed is the number of times a container has been filled and serviced.

The screenshot shows a web browser window titled "My Containers - Mike's Internet Explorer". The URL is "http://206.117.136.45/tool/drum.pl". The page header includes the CSN logo and the title "My Containers". On the left, there is a navigation menu with sections for Tracker (My Location, My Containers, Birth Container), Admin (Manage User, My User Account, Company Manage, Company Authorization), Tools (Change Log, ERS, Manage Drum Type, Manage Content), and Logout. The main content area has three search/filter sections: "Num Containers: 6" (page 1 of 1), "BARCODE RANGE" (Start: [ ] End: [ ]), and "CONTAINER OWNER" (dropdown set to "SELF" showing "ANAKIN INDUSTRIES (SELF) New York, NY 23222"). Below these is a table listing six containers:

Barcode	Type	Description	Capacity	Color	Status	Location	Content	Fill#	Srv#
Edit: 90115	banana	nice juicy fruit - yum yum - goody SG / 18.93L	Yellow	New	To:Anakin Industries North Plant			0	0
Edit: 87654321	banana	nice juicy fruit - yum yum - goody SG / 18.93L	Yellow	New	To:zipzip			0	0
Edit: 87654322	banana	nice juicy fruit - yum yum - goody SG / 18.93L	Yellow	Serviced	To:zipzip			1	1
Edit: 87654323	banana	nice juicy fruit - yum yum - goody SG / 18.93L	Yellow	Dirty/empty	To:zipzip			1	0
Edit: 989898011111	pineapple	largish bumpy fruit - sweet inside	20G / 75.72L	Various	Filled	At:Anakin Industries North Plant,Froop		1	0
Edit: 9898981111122	pineapple	largish bumpy fruit - sweet inside	20G / 75.72L	Various	New	At:Anakin Industries North Plant		0	0

The top section shows the total number of containers listed that meet the current set of criteria ("Num Containers"). Immediately below that is a left arrow, a drop down box showing the current and total number of pages, and a right arrow. When you are on Page 1, the left arrow is grey, indicating it cannot be pressed. When you are on the last page, the right arrow is grey indicating it cannot be pressed. Otherwise, the arrows are blue and can be pressed to go one page lower or higher in number than the current page.

Alternatively, Click on the drop-down box to select a specific page to go to.

The middle top sections permits the User to input a starting and/or ending range of barcodes. By filling in either or both of the numbers, the list is presented with just those Containers meeting that criteria.

The top right section lists the current Owner. If the User has been Authorized to view the Containers of another Owner, then their Company name will be listed in the drop-down list immediately under the "Container Owner" heading. This Authorization is determined by the Administrator using the "Company Authorization" screen reached by Clicking on that title on the left of the Main screen under "Admin."

This My Containers page lists all the Containers that meet the current Criteria. It lists the Barcode, Type, Description, Capacity, Color, Material, and Content, as well as the number of times that particular Container has been filled or serviced.

## SORTING:

The Containers can be listed in User selectable order. The default is ordered by Barcode. The User can change the order to be any of the columns simply by clicking on the title of the column desired. To change to descending order of that column, just click a second time. For example to sort by Type descending, click on the “Type” column heading twice:

The screenshot shows a web browser window titled "My Containers - Mike's Internet Explorer". The URL is "http://206.117.136.45/tool/drum.pl". The page has a header with "CSN" logo and "My Containers". On the left, there's a sidebar with navigation links like "Tracker", "Admin", "Tools", and "Logout". The main content area has a table titled "CONTAINER OWNER" with the company "ANAKIN INDUSTRIES (SELF) New York, NY 23222". The table has columns: Barcode, Type, Description, Capacity, Color, Status, Location, Content, Fill#, and Serv#. There are 6 rows of data. The "Type" column is currently sorted in ascending order. The "Edit" link for the first row is highlighted.

Barcode	Type	Description	Capacity	Color	Status	Location	Content	Fill#	Serv#
Edit 98999811111	pineapple	largish bumpy fruit - sweet inside	20G / 75.72L	Various	Filled	At:Anakin Industries North Plant Frop		1	0
Edit 9899811111222	pineapple	largish bumpy fruit - sweet inside	20G / 75.72L	Various	New	At:Anakin Industries North Plant		0	0
Edit 87654321	banana	nice juicy fruit - yum yum	goody SG / 18.93L	Yellow	New	To:zipzip		0	0
Edit 87654322	banana	nice juicy fruit - yum yum	goody SG / 18.93L	Yellow	Serviced	To:zipzip		1	1
Edit 87654323	banana	nice juicy fruit - yum yum	goody SG / 18.93L	Yellow	Dirty/empty	To:zipzip		1	0
Edit 90115	banana	nice juicy fruit - yum yum	goody SG / 18.93L	Yellow	New	To:Anakin Industries North Plant		0	0

## CRITERIA:

If you want to limit the list to only a certain type, color, or other parameter, simply type that criteria into the white box below the column heading and reload the page by clicking the <Reload> button in the upper right.

Criteria can be just a portion of the data being searched. For example, entering a “B” for color will select Containers with “Blue” or “Black”, but not “Natural” or “White.”

You may type more than one criteria at a time. For Example, if you type “Blue” under “Color” and “Org” under “Contents,” that would narrow the search down to only Blue Containers containing contents beginning with “Org”

To return to a listing of all the containers for that Owner, remove (highlight and delete) all the typing in the boxes below the column headings.

To Change in any way the current Status, Location, Contents or other parameter of any container, Click on the <Edit> button to the left of its Barcode. A pop-up screen will then be shown. Please see the Edit Container section of this Manual.
